2011 LOCALISED MANIFESTO

The Year for Consolidation of People's Power for the National Democratic Society

A POPULAR MANDATE FOR LOCAL DEVELOPMENT:

The Year for Consolidation of People's Power for the National Democratic Society

In localising priorities of the 2009 Manifesto and in meeting key challenges facing our communities we will:

- Build local economies to create more employment, decent work, and sustainable livelihoods;
- Improve local public services and broaden access to them;
- Build more untied, non-racial, integrated and safer communities;
- Promote more active community participation in local government;
- Ensure more effective, accountable and clean local government that works together with national and provincial government.
