

LOCAL GOVERNMENT DATA BASE

INVITATION TO PROFESSIONALLY QUALIFIED INDIVIDUALS WITH SPECIFIC EXPERTISE IN LOCAL GOVERNMENT MANAGEMENT, LOCAL GOVERNMENT FINANCE AND ENGINEERING SERVICES.

To provide support to the municipalities in the Mpumalanga Province, the Department of Co-operative Governance and Traditional Affairs would like to update its database of individuals with local government management, local government finance and engineering services expertise. The Department herewith invites retired or unemployed professionally qualified individuals to register with us.

The areas of expertise and the prerequisites/requirements are as follows:

Local Government Management: Educational Requirements: Bachelor Degree or Bachelor of Technology in Public Administration/ Political Sciences/ Social Sciences/ Law. **Work related and Knowledge:** More than 10 years experience as a Municipal Manager or Senior Manager in local government. Knowledge and understanding of local government legislation and relevant policy, understanding of institutional governance systems and performance management, understanding of council operations and delegation of powers, good governance, audit and risk management and finance management. (Ref: Local gov man 2021)

Local Government Finance: Educational Requirements: Bachelor Degree or Bachelor of Technology in the field of Accounting/ Finance/ Economics. **Work related and Knowledge:** More than 10 years experience as a Chief Financial Officer or Senior Manager in local government finance. Knowledge and understanding of MFMA and its regulations, local government legislations and relevant policies, understanding of institutional governance systems and performance management, understanding of financial and performance reporting, Knowledge of local government finance, Good governance, Audit and Risk management and finance management. (Ref: Local gov fin 2021)

Engineers Services: Educational Requirements: Bachelor of Science Degree in Engineering (Civil or Electrical) or Bachelor of Technology in Engineering (Civil or Electrical). **Work related and Knowledge:** More than 10 years experience as a Technical Services Manager or as a programme/ project manager. Knowledge and understanding of local government legislation and relevant policy, understanding of institutional governance systems and performance management, knowledge of the public office environment and must be able to formulate engineering master planning, project management and implementation. (Ref: Local gov Eng 2021)

The database is specifically for unemployed individuals. Business and companies will not be considered as this is not a bid or prospective database advertisement.

Application will be considered and employment will be on contract basis per project, as and when the need arises. Applications will not automatically result in any contract or obligation from the Department.

Appointed individuals will be required to sign a performance contract and may be subjected to a credit and security vetting process, plus financial interests must be disclosed. Rates may be indicated on the application form but remuneration shall not exceed the prescribed rates for consultants, as per the Department of Public Service and Administration.

For further enquiries contact Mr IP Moukangwe on 013 766 6221 and Mr W Makhanya on 013 7661 736. The closing date for application will be **14 October 2021**. Forms must be submitted by e-mail to: ipmoukangwe@mpg.gov.za or wmakhanya@mpg.gov.za

Alternatively they can be couriered to: The Department of Co-operative Governance and Traditional Affairs, Mr IP Moukangwe (Human Resource Directorate), Rhino Building, Mbombela, 1200 or send to: Private Bag X11304 Mbombela 1200.

The application forms are free of charge. Individuals must take note and comply with all requirements stated on the application forms to ensure that their registration is considered.

NB: Application forms are available on the website (<https://cogta.mpg.gov.za>, vacancies).
